Survival Show Reality

1. Locate and watch a survival-based reality show. Here is a list to help:

- Survivorman
- Man Vs Wild
- Dual Survivor
- Man, Woman, Wild
- Naked and Afraid
- Get Out Alive
- Running Wild
- Fat Guys in the Woods

2. Watching episode and taking note of the following:

- Identify the show and summarize the scenario:
  - Where are they?
  - What is the situation?
  - What obstacles do they encounter and how do they overcome them?
  - What resources do they have and how do they use them?

3. Locate and research a real world equivalent of your episode

- Summarize the event
  - Where did occur?
  - What happened?
  - Who was involved?
  - What similarities are shared between the real world event and the survival show?
  - What differences exist between the real world event and the survival show?
- If you can NOT find a similar real world situation, reflect on the following?
  - Why is there not a real world equivalent for any of the situations and/or obstacles in the show?
  - What about the show is exaggerated or too extreme to actually occur?
  - What modern technologies inhibit these types of things from happening?
  - What purpose does it serve to show a scenario or obstacle that is impractical?
